

Biography: Tiffany Humberson

Technical Permitting Section
Railroad Commission of Texas

Current Position

Tiffany is a geoscientist in the RRC's Environmental Permits & Support Unit in the Technical Permitting Section.

Prior Experience and Education

Tiffany received a Bachelor of Science degree in Geological Sciences and a minor in Biology from the Midwestern State University in 2007. She worked as a Water Purification Operator II for a municipality while attending college. After graduation, she worked as operations manager for a private oil company in the exploration and development of several assets. Tiffany joined the RRC as a technical reviewer for Environmental Permits & Support in August 2013.
