Melanie is currently pursuing a Master's of Global Policy Studies from the LBJ School of Public Affairs in Austin, TX, specializing in Energy, Environment, and Technology. She graduates in May 2019. Melanie joined TCEQ Border Affairs as a Graduate Research Assistant/Intern in September 2018 to provide policy analysis and program coordination regarding the U.S.-Mexico border environment, including scrap tire management, wastewater, air quality, energy efficiency, and water. Melanie assists with writing and distributing the Border Initiative Weekly News.

Melanie is a 2018-2019 Brumley Fellow at the Strauss Center for International Security and Law awarded to research the relationship between the environment and national security. Last summer, she held an internship at the U.S. Department of State in Washington, DC in the Secretary's Bureau. Her professional experience prior to graduate school includes environmental advocacy in Houston, TX. Melanie holds a B.A. in Plan II Honors from the University of Texas at Austin.
