2018 IRC Updates

Course Outline

Cost: $9.97, allowing 120 days of access.

Course Description: This 2-module course focuses on the updates to the 2*018 International Residential Code (IRC)*. It teaches the practical application of the IRC, focusing on the difference between the 2015 and 2018 versions of the codes. Each module consists of an integrated video presentation, including presentation slides, explanation, examples, and review quizzes. Modules are designed to be 35-60 min. in length.

Course Objectives: This course is designed to make those already familiar with older versions of the IRC aware of the changes that have been made to the 2018 version of the codes. You will learn what has been added, what has been removed, and what has been changed.

Texts and Readings: The *2018 International Residential Code (IRC)* is the textbook for this course. It is highly recommended that you purchase a paper-back copy of these codes, which are available online at www.iccsafe.org and serve as a valuable reference for in the field inspections.
