

PABLO JAVIER ALLIANI

Biographical Details

Pablo J. Alliani is a partner in Alliani & Bruzzon. He leads the firm's international energy practice and has represented international and domestic clients, among them, oil and gas producers, refineries, pipelines, petrochemical plants, maritime terminals, services and drilling companies, power and water utilities, and environmental companies. He has counseled international oil and gas majors, independent companies and utilities in oil and gas contracts negotiations, regulatory matters, M&A and on new infrastructure projects.

Mr. Alliani was Chair of the Section on Energy, Environment, Natural Resources and Infrastructure Law (SEERIL) of the International Bar Association (IBA). He was the President of the Association of International Petroleum Negotiators (AIPN) during 2011-2012, and he served on the AIPN Board for ten years. He has served on the editorial board of the *Journal of Energy and Natural Resources Law* and on the Executive Committee of the *Journal of World Energy Law and Business*.

Mr. Alliani holds a J.D. degree from University of Buenos Aires and an LLM from Southern Methodist University, and was a foreign visiting attorney with Baker Botts LLP.
