CLE Processing Information for Multiple Attendee Sites

In response to Covid-19, AIPLA has put in-place a new process for Multiple Attendee Site registrations that allows each site registrant to participate in the webinar independently. Please follow the steps below to ensure that each attendee receives their own unique webinar login link and CLE credit.

Step 1:

The primary registrant for each multi-attendee site must submit their attendee roster 48 hours prior to the webinar to receive individual logins for their site members.

- ✓ Email the completed roster to cle@aipla.org no less than 48 hours before webinar start to ensure individual webinar access.
- ✓ Include subject line: 4/14/20

Step 2:

Each ATTENDEE must complete a webinar survey after the webinar to receive CLE.

- ✓ A survey link will be provided to all site attendees after the webinar completion
- ✓ Each attendee must complete their own survey in order to receive CLE

PLEASE NOTE: The webinar survey will close on Monday, April 20, 2020. All surveys must be completed by this date to receive CLE.
