

Catholic International Partnership

EWTN Global Catholic Network Educational Assistance

Catholic International University's Continuing Education and Lifelong Learning partners with EWTN to offer free of charge for online courses, seminars and certificates for EWTN employees (in English and Spanish).

The online option gives individuals the opportunity to study the Catholic Faith alone or with a group in a convenient, flexible, and adult-friendly format.

EWTN supports employees who wish to continue their education in the Catholic faith and/or to increase effectiveness within their professional careers, while contributing to EWTN's mission of communicating the teachings of the Catholic Faith.

To further these objectives, EWTN has established an Educational Assistance Program with Catholic International University. This program will pay for approved courses, seminars, certificates and degrees taken through Catholic International only.

Courses, seminars and programs must be discussed and approved as outlined below prior to registration. Contact Kathryn Garaca at kgaraca@ewtn.com for more information.
