

SECTION 2 RESOURCES

Topic 5

The ARES Field Resources Manual

<http://www.arrl.org/ares>

Topic 6a

To learn about Nets in your area, contact your Section Manager (SM), or Section Traffic Manager (STM). To locate your Section Manager (SM), see the ARRL Section Manager List at:

<http://www.arrl.org/field-appointments>

You can also find your SM listed on page 16 of every issue of QST.

Topic 6b

For a list of ARES and NTS nets in your area

Topic 6c

ARRL Publication FSD-218

<http://www.arrl.org/public-service-field-services-forms>

Topic 6d

FCC Part 97

<http://www.arrl.org/part-97-amateur-radio>

Topic 7

NTS Methods and Practices Guidelines

<http://www.arrl.org/table-of-contents-nts-methods-and-practices-guidelines>

Topic 8

For more information on the NCS operators function, please see the chapter on emergency communications in The ARRL Operating Manual:

<https://www.arrl.org/shop/Operating/>

To learn more about local and Section-wide ARES and NTS net operation, contact your Section Manager (SM), your Section Emergency Coordinator (SEC), or District Emergency Coordinator (DEC). To locate your Section Manager, see

www.arrl.org/sections
