The National Tuberculosis Nurse Coalition (NTNC)

a section within the

National TB Coalition of America

National Tuberculosis Nurse Coalition

The mission of the NTNC is to advise and support the TB programs of state, local, and territorial governments by providing, within NTCA, a coordinated nursing perspective on issues vital to the success of TB prevention programs.

NTNC Membership Opportunities

Membership is linked to NTCA

Any member of the NTCA can choose to be a member of the NTNC section if...

- Nursing background and education
- Current/previous position in TB nursing
- Interested in TB nurse case management
- Desire to be involved with a group of active individuals who share a professional identity

Benefits of NTNC Membership

- Collective voice for TB Nurses
- Opportunities to work on national guidelines
- Professional home for nurses working in TB
- Networking with a great group of people!
- NTNC Community of Practice: Nurse Journal Club

NTNC Listserve

- The NTNC listserv is a **member benefit** that allows any member to consult with nurses all over the US.
- Messages and replies may be received at once, or in a daily digest.
- Questions, comments, and answers go into an archive for future consultation as needed.

NTNC Committees

- **Education:** Projects within the education committee:
 - Development of webinars for members
- **Corrections:** This is a joint NTCA/NTNC committee with the goal of improving TB recognition, prevention, and control in correctional facilities.
- If you are interested in joining, please email Diana Fortune [@dfortune.NTCA@gmail.com](mailto:dfortune.NTCA@gmail.com)
