**POST Course Training at No Cost for small and large groups. Contact Rick McElroy and use POST Course Number 22168 for 2021.**

We implement the provisions of the California Massage Therapy Act. Policing massage businesses that operate as a subterfuge for prostitution can be a real challenge. CAMTC provides critical support to law and code enforcement agencies and local governments in efforts to curtail illicit massage establishments. Know the signs of illicit massage businesses (IBMs) and adapt the strategies to make massage Safe and Legal in your communities. Our collaborative effort to target illicit massage parlors and stop the negative impact they have in our local communities is THE most striking benefit of the strategic partnership between CPCA and CAMTC to protect the public. RapidDeploy believes that regardless of size, geography or budget, everyone in public safety should have access to the data they need when it matters most to save more lives. That's why, since 2016, our mission has been to reduce emergency response times and improve public safety. RapidDeploy has a statewide contract to provide Cloud-Based RadiusPlus and Eclipse to all 9-1-1 centers in California. Cal OES turned to RapidDeploy to implement two-way SMS through our RadiusPlus platform. Now, two-way SMS, in any language, can be initiated by a 9-1-1 Telecommunicator following a 9-1-1 call hang-up or if the caller appears distressed and uncommunicative. RapidDeploy's cloud-native platform makes it easy for state agencies like California to adopt innovative technologies and achieve a consistent rollout, training, and management experience across all state PSAPs in just weeks or months.
