A photograph of two women sitting at a wooden table in a modern, industrial-style setting. The woman on the left, with long blonde hair and wearing a floral patterned top, is leaning forward and pointing at a tablet device. The woman on the right, with dark hair pulled back and wearing a black top, is looking at the tablet with a focused expression, holding a pen. On the table are several glasses and a carafe. The background features a metal grid structure and a hanging light bulb.

than the mainstream

Optimize

Core use cases with Optimize

Test and learn

Test different variations of your site to identify the best performing version of your site.

Improved landing pages

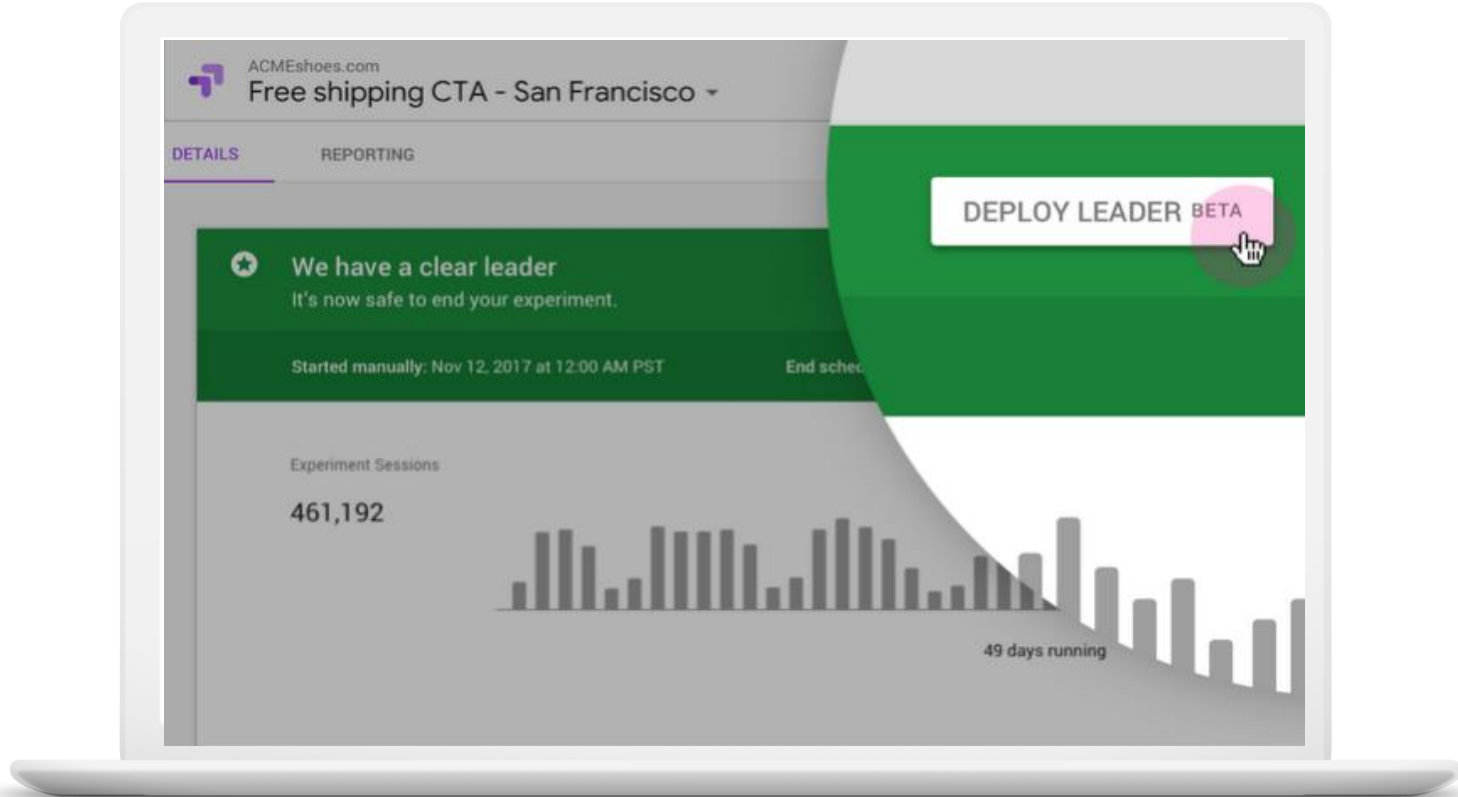

With a deep integration with Google Ads, you can customize your landing page based on the ad a user engaged with.

Personalization

Deliver personalized versions of your site to your customers – at scale.

Find the best version of your site and set it live

MANGO

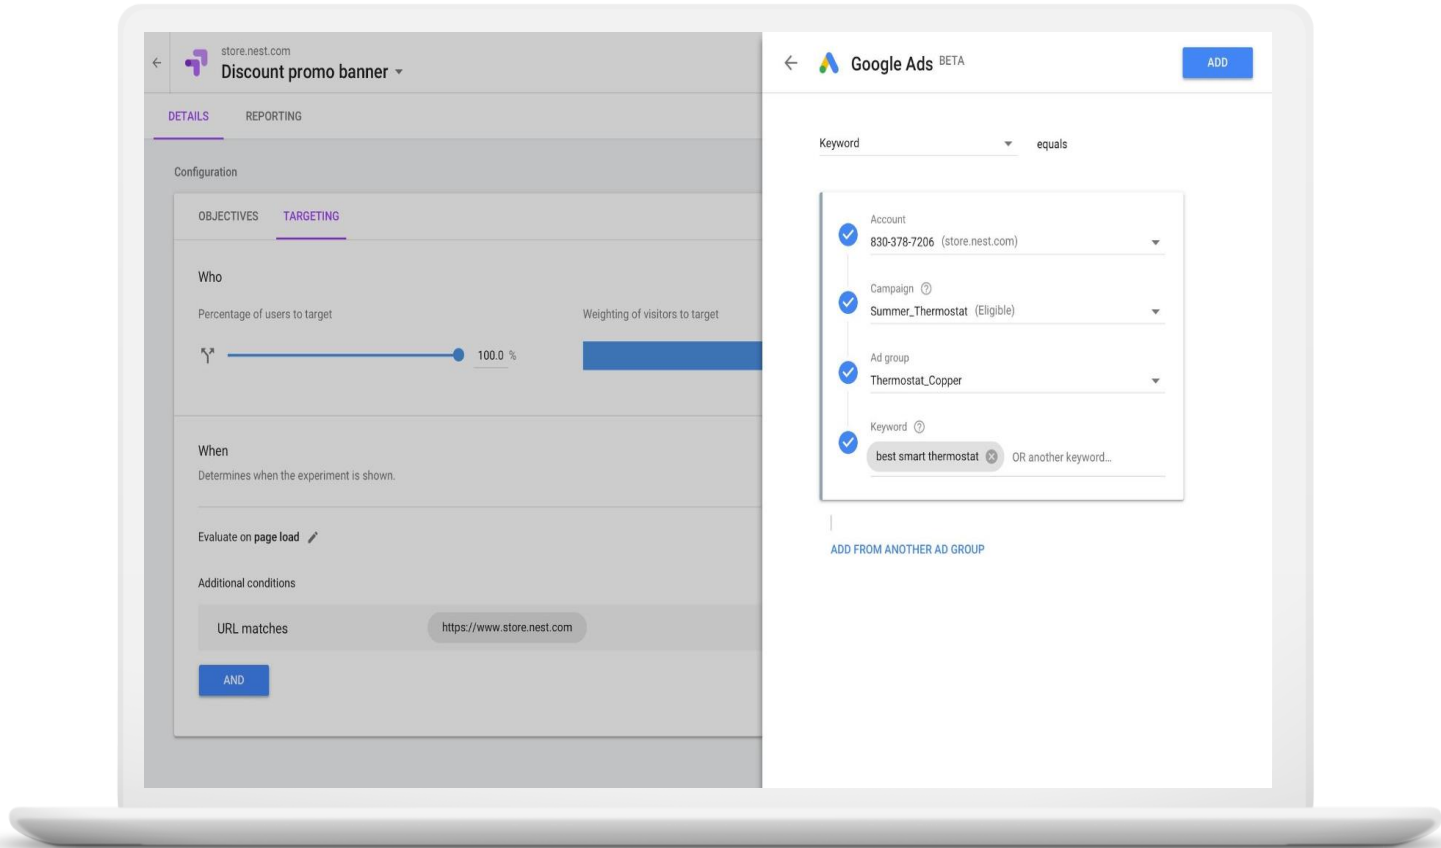

Mango conducted website tests to improve the mobile site experience. One successful test involved the inclusion of an “Add” button in the product list page, enabling users to place a product directly into their shopping cart from the search results page.

49%

increase in users adding a product to their shopping cart
