

Biography: Gary Sinclair

Office of Compliance and Enforcement
Field Operations Division – Region 04 Dallas/Fort Worth
Texas Commission on Environmental Quality

Current Position

Gary Sinclair is an Emergency Response Investigator in the TCEQ Dallas/Fort Worth Region Office.

Prior Experience and Education

Mr. Sinclair graduated from the University of Texas at Dallas in 2009 with a Bachelor of Science degree in Chemistry and from Indiana University - Perdue University Indianapolis in 2013 with a Master of Public Health degree in Environmental Health Science. Mr. Sinclair started his environmental career as a Laboratory Analyst at Heritage Environmental Services. He characterized incoming waste for treatment and disposal.

Mr. Sinclair came to the TCEQ DFW Region Office in 2013 as an Air Investigator. In 2016, Mr. Sinclair transferred to his current position as an ER Investigator. He has worked alongside local, state, and federal agencies for spills ranging from diesel fuel to elemental mercury. As a senior member of the DFW Region Office ER Team, Mr. Sinclair mentors new investigators, assists in special projects, and conducts complex and technical investigations. During his time at the TCEQ, Mr. Sinclair was selected as the Rookie of the Year and twice for the Lean on Me award.
