

**Michael Shepherd**  
**Shepherd Technical Services, LLC**

***Current Position***

Co-Owner/Technical Lead, Shepherd Technical Services, LLC

***Prior Experience and Education***

Dr. Michael Shepherd is a principal of Shepherd Technical Services. He received his Bachelor of Science in Chemistry from Baylor University in 1982. Dr. Shepherd completed his graduate studies at the University of Texas at Austin in 1986, earning the degree of Doctor of Philosophy in Chemistry.

Upon completion of his graduate studies, he took a position with Radian Corporation in Austin, Texas. His 14 year career with Radian encompassed a variety of environmental and regulatory analytical challenges. Prior to establishing Shepherd Technical Services (aka "STS") almost 20 years ago, Dr. Shepherd also held positions as Technical Director for STL-Austin and Quality Control Manager for Cerilliant Corporation.

With STS, he provides technical consulting services focusing on laboratory quality assurance, laboratory accreditation, operational management, and independent data review and validation. Dr. Shepherd has served as a member of the TNI Field Activities Committee, is currently an approved Assessor for NEFAP, DoD ELAP, NLLAP (National Lead Laboratory Accreditation Program), and for NELAP. As part of STS, he performs NELAP assessments for the Texas Commission on Environmental Quality, The Florida Department of Health, Minnesota Department of Health, Louisiana Department of Environmental Quality, New Hampshire Department of Environmental Services, and the Kansas Department of Health and Environment as a contractor.
