

Customized Septic Tank Riser Cover

The latest edition to Jackel's cover offering, our septic tank riser covers are constructed of heavy duty structural foam. Utilizing our Tech Tough™ design technology, the SFRCs can support up to 2,500 lbs. Available in 12", 18" and 24". Each cover comes with our molded, replaceable water tight seal. Insulation is an option for extreme climates. Each cover comes with our non-slip Lawn Deco™ decorative finish. The covers are available in either green or black. Please see the chart below for details.

Part Numbers: SFRC24, SFRC18 & SFRC12
