

Quality Forensic Solutions

C. K. Hull & Associates Forensic Consulting Services

Public safety and crime rate can be significantly impacted by your backlog in case work.

We will satisfy your forensic needs by delivering professional results in a cost effective and timely manner. We solve organizational problems with strategic use of experienced forensic examiners, technology, and communication.

Customer service is a high priority of our company. As our client, we will work with you to develop a strategy to achieve your agency's goals.

Services provided include, but not limited to, the following:

- ♦ Latent Print Casework/Backlog Reduction
- ♦ Technical Cold Case Review
- ♦ Training Programs
- ♦ Financial Improvement Strategies
