

Biography: Michael Shepherd, Ph.D.

Shepherd Technical Services

Current Position

Dr. Shepherd is the principal of Shepherd Technical Services

Prior Experience and Education

Dr. Michael Shepherd is the principal of Shepherd Technical Services. He received his Bachelor of Science in Chemistry from Baylor University in 1982. Dr. Shepherd completed his graduate studies at the University of Texas at Austin in 1986, earning the degree of Doctor of Philosophy in Chemistry.

Upon completion of his graduate studies, he took a position with Radian Corporation in Austin, Texas. His 14 year career with Radian encompassed a variety of environmental and regulatory analytical challenges. Prior to establishing Shepherd Technical Services (aka "STS"), Dr. Shepherd also held positions as Technical Director for STL-Austin and Quality Control Manager for Cerilliant Corporation. With STS, he provides technical consulting services focusing on laboratory quality assurance, laboratory accreditation, operational management, and independent data review and validation. Dr. Shepherd is currently a member of the TNI Field Activities Committee, an approved Assessor for NEFAP, DoD ELAP, and for NELAP, performing NELAP assessments for the Texas Commission on Environmental Quality, The Florida Department of Health, Minnesota Department of Health, and the Kansas Department of Health and Environment as a contractor.

While not travelling the laboratory globe, Michael enjoys spending time with his wife, his daughter, and their two miniature dachshunds.
