

Biography: Samantha Royall

Occupational Licensing and Registration Division
Texas Commission on Environmental Quality

Current Position

Occupational Licensing Training Analyst

Prior Experience and Education

Samantha has been with TCEQ for 2 years. She began as a part of the Licensing team reviewing license applications and quickly transferred to the training workgroup. Prior to joining TCEQ she worked in laboratory and phase I clinical trial settings. Her experience includes protocol review, logistic design, SOP & GCP adherence, project management, protocol close out, audit processes, corrective action assessments, quality assurance reporting, guidance document creation and training employees on special testing and high-risk procedures. She obtained her BS in Microbiology from Texas State University.
