

Biography: Theresa Carr
PSEAD Division
Texas Commission on Environmental Quality

Current Position

Theresa joined the TCEQ Tyler Region Office in December 2021. She serves as a Compliance Assistance Specialist. She assists individuals, businesses, industry and local government across all media and all permitting areas.

Prior Experience and Education

Prior to coming to TCEQ, Theresa worked as an environmental consultant, and later spent over 10 years with an environmental testing laboratory, initially on the field crew and later as supervisor of the field division and working directly with corporate clients to fulfill sampling, testing, and reporting requirements. Theresa taught Biology and Computer Science and served as a Technical Support Specialist at Jacksonville High School for 10 years. She graduated from Stephen F. Austin University with a B.S. in Environmental Science.
