

"I had a very positive experience with this course and CDU! Just knowing how much I have learned from this course I can see how I look at things differently because of what I know now."

Catarina Hernandez

"I live far away from the school that I teach in and as much as I'd like to go to after school workshops, I find that after a whole day of teaching, all I want to do is get home. It is wonderful to be able to take courses this way. I am SO thankful for CDU."

Joan Forgione

Kay Vovo

"I find that the classes are challenging not only in the learning aspect but in my self-growth and spiritual life. I just keep looking forward to what else I am going to learn. It's like every page I read takes me to another level. God is so good to us!"

Anna Martinez

"I love taking these online courses for the knowledge I receive in all aspects of my faith. The ease of working at my own pace is also excellent. I recommend them to everyone interested in the Catholic faith."
