"Excipient World is a vibrant environment that provides a scientific foundation through high quality education... and it is fun!"

On behalf of the organizing committee, it gives us great pleasure to invite you to be part of Excipient World Conference & Expo which will be held in National Harbor, MD from May 1-3, 2023. This meeting of professionals from around the globe is organized by the International Pharmaceutical Excipients Council of the Americas (IPEC-Americas). After marking 30 years of existence in 2021, IPEC-Americas has renewed its commitment to bring together diverse stakeholders that share a common objective: safe and effective production and use of excipients.

Excipient World provides exhibitors with a powerful platform to:

- Present new products, services, and expertise
- Network with other excipient makers, distributers, and users... as well as regulators and academics

• Learn about industry challenges and advancements

• Support the mission of IPEC-Americas

We invite you and your organization to be a part of this dynamic and exciting event through the various opportunities we have outlined in this prospectus.

We look forward to welcoming you to Excipient World Conference & Expo at the Gaylord National in Maryland in May 2023!

#### Sincerely,

Nigel Langley, Ph.D., MBA Chair, IPEC-Americas (2022/2023) Global Technology Director, Pharma Solutions, BASF Corporation

# ELEVATE

Excipient World is designed by and for the industry. The conference program is determined by excipient-focused subject matter experts.

"Excipient World provides an invaluable opportunity to engage in scientific discussion. It is during the informal conversations in the exhibit hall and at receptions that some of the best ideas emerge."
