

## **Biography: Melissa Cordell, P.G.**

Enforcement Division  
Texas Commission on Environmental Quality

### ***Current Position***

Melissa is the Assistant Director of the Enforcement Division and supports the Director in pursuing enforcement in accordance with state statutes and agency rules and consistent with the agency's philosophy that enforcement, when necessary, must be swift, sure, and just.

### ***Prior Experience and Education***

Melissa Cordell attended Trinity University in San Antonio, Texas and earned a Bachelor's Degree of Science in Geosciences. She went on to Texas State University in San Marcos, Texas for a Master's of Applied Geography. She is a licensed geoscientist in the State of Texas. Melissa has worked for the Texas Commission on Environmental Quality for 20 years with 13 years in the Remediation Division and the past seven years in the Enforcement Division.
