

Building out and developing successful analysts and analytics team

Rusty Rahmer | Vanguard Center for Analytics and Insights Enablement

A large, 3D-rendered graphic of the word 'SUMMIT' in white, blocky letters. The letters are set against a background of a complex, colorful geometric pattern. The pattern includes various shapes like triangles, squares, and circles in shades of blue, red, yellow, and grey. Some elements have a 3D effect, appearing to float or be layered. The overall aesthetic is modern and abstract.

SUMMIT

- 385 funds worldwide
- 16,600 crew worldwide
- 20 million clients in 170 countries

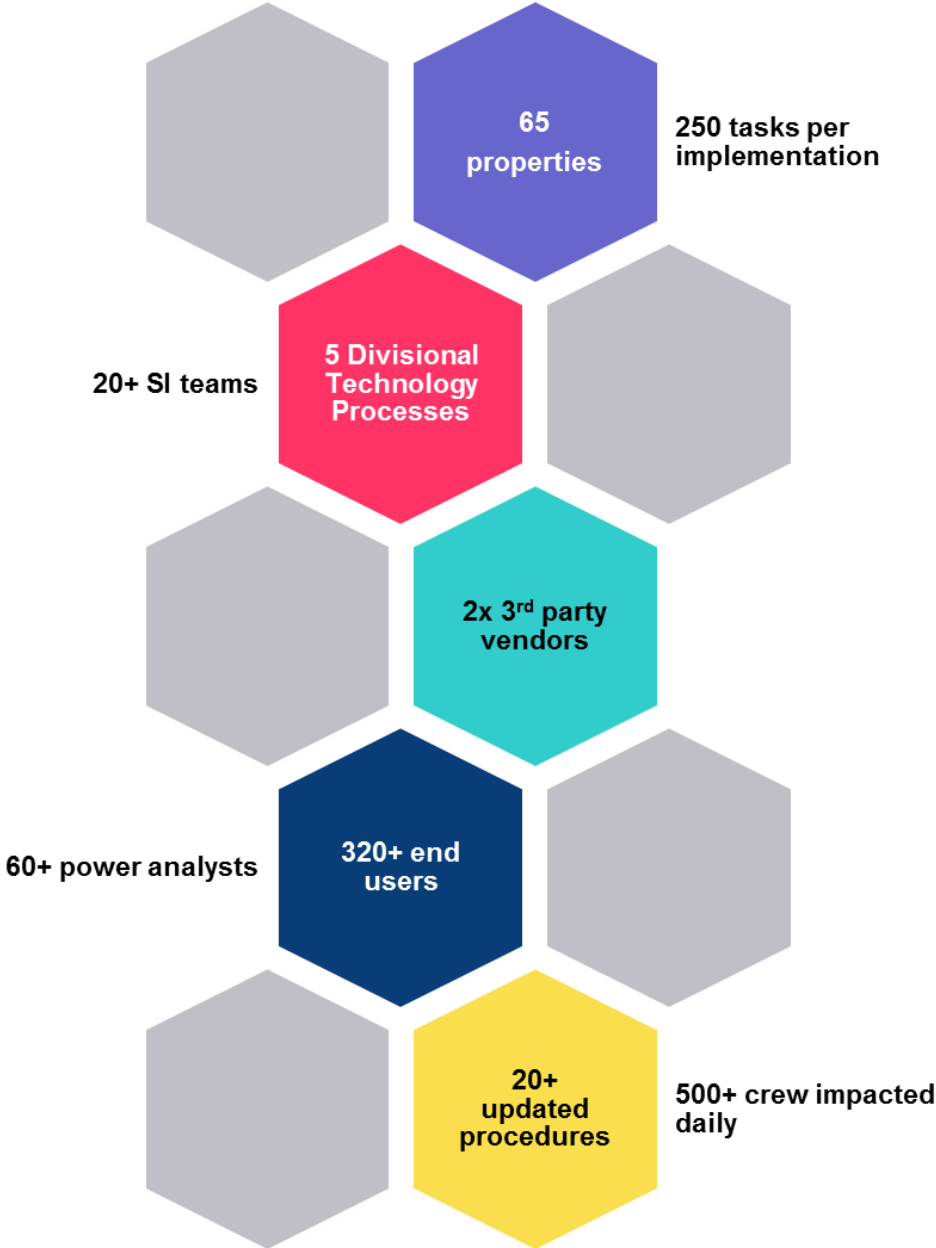

A photograph of a large, dark grey sign with a red vertical bar on the right side. The sign features the text "THE Vanguard GROUP" in white, bold, sans-serif capital letters. The background shows a brick building with several windows and green trees.

THE Vanguard GROUP

Digital Intelligence Program

By the numbers

- Launched in May 2014
- 65 Digital Properties
- 5 Divisions
- 60 Power Analysts
- 320+ End Users

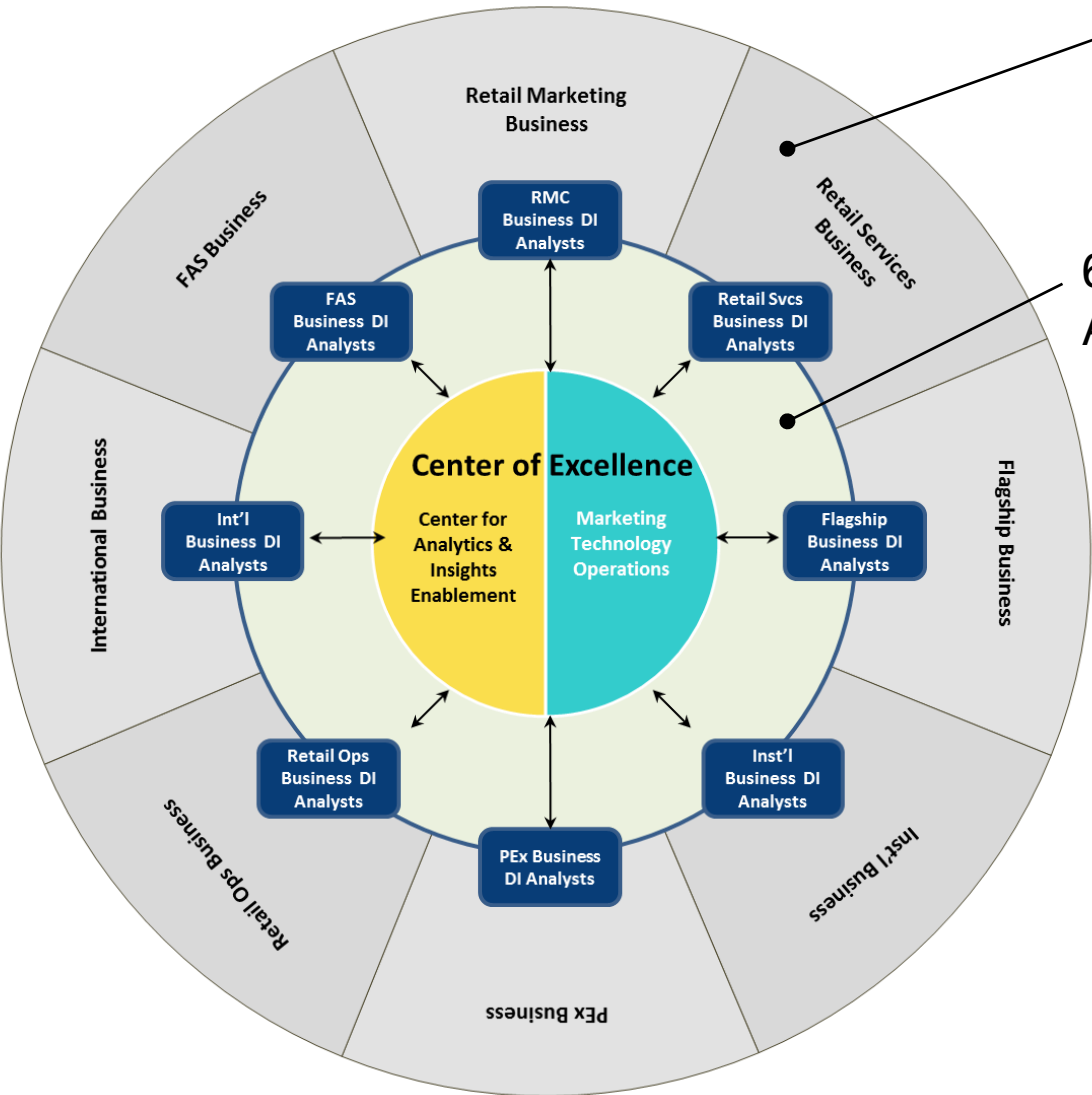

Digital Intelligence Program

Strategic Objectives

- Upgrade Technology Stack
- Develop Strategic Measurement Frameworks and Implement
- Establish Analytics Governance
- Integrate Build for Measurement into IT Standards
- Solve for Analytics Organizational Design, Staffing, and Community of Practice

Center of Excellence

500+ Marketers, Leaders, Project Managers, and Operations Leads

60+ Analysts and Analytics Leaders

Building a Community of Practice.

How do we ensure that we...

- Have the right the roles
- Hire the right people
- Get the resources productive quickly
- Continue to innovate and elevate quality and sophistication
- Reward and recognize the work and achievement

Ready, set.... pause!

The Right Roles

- Job Descriptions and Standards
 - Evaluated and Consolidated “Analyst” Job Titles and Descriptions
 - DAA Job Descriptions
 - DAA Competency Framework
 - Internal HR research
- Job Grading and Compensation
 - Evaluated and Standardized Analytics Job Levels and Expectations
 - DAA Compensation Study

Hire the Right People

- **Internal Recruitment**
 - Seeded the model with existing talent
 - Opened up opportunities for those with “analytic aptitude”
 - Developing “Entry Level to Advanced Analytics” career pathing
- **External Recruitment**
 - Leveraging memberships to tap into talent – DAA Career Center
 - Partnered with external agencies to develop talent search specialization
 - Partnering with colleges and universities for recruiting
 - Developing analytics rotational specialty programs
- **Alternative Staffing**
 - Contract to hire
 - College internships
 - Internal internships

Get the Resources Productive Quickly

- Tool Training
 - Adobe Analytics Training
 - Onsite/online/classroom
 - Co-produced customized training videos
- Applied Digital Analytics Training
 - Assign Analytics Mentors
 - Required reading (Books and Blogs)
 - Collaborated with Drexel University to develop and deliver Digital Analytics courses
 - Access to Internal/External Community and Best Practices
 - DAA Analytics Recipes
 - Proprietary library of Adobe Workspace templates and solutions

Continue to innovate and elevate quality and sophistication

- Skill and Maturity Assessments
 - DAA Analyst Self-Assessment
 - Adobe Maturity Assessment
- Internal Analytics Community
 - Host quarterly events
 - Project presentations and discussions
 - Guest speaker/Thought Leader Presentations
 - Analytics workshops
 - Tool stack updates, Trainings/Webinars, Conference Sharing
 - Digital Analyst Peer to Peer channel

Continue to innovate and elevate quality and sophistication

- External Analytics Community
 - Industry Conferences
 - Attend local DAA Symposiums/Chapter Events
 - Attend Adobe Summit and Symposiums
 - DA Hub
 - DAA Membership for all community members
 - Special interest groups - Women in Analytics
 - Digital Analytics Power Hour Podcast
 - Test and Learn Community
 - #measure Slack

Reward and recognize the work and achievement

- Credentializing
 - Adobe Analytics Certifications
 - DAA Short Courses
 - DAA Certified Web Analyst
 - Internal and external industry presentations
 - Published approaches and thought leadership
 - Participation in internal and external industry activities and groups
- Compensation
- Career pathing

24-36 Month Results

- Applicants for open analyst positions up from 6 to 50+
- Average time to fill an open analyst position is reduced to 1/3
- Analyst engagement scores are the highest among all job families
- Analyst retention rate is 20% higher than the (already high) company average
- Attendance at community events is at 90%
- Analytics maturity scores across the enterprise are on the rise
- Analyst skill and competency based rolled up scores are pending

Next Horizon – Reaching Beyond the Analysts

Consumers and stakeholders of analytics

- Extending community solutions to non-analysts
- Integrating analytics into expected results and competencies
- Drexel and Kellogg University analytics training programs and workshops
- Career pathing from analyst to business consumer, stakeholder, and/or decision maker
