

Biography: Pratima Singh

Beaumont Regional Office
Texas Commission on Environmental Quality

Current Position

Pratima Singh is currently the Air Section Team Leader in the TCEQ Region 10 Office, Beaumont.

Prior Experience and Education

Pratima attended Lamar University in Beaumont graduating with a degree in Environmental Science. Her career at the TCEQ began as an intern in the Region 10 Office in 2005. She joined the Air Program soon after graduation and has been a part of the program since then. Over the span of nearly 12 years with the Agency, Pratima has conducted complex investigations ranging from Title V compliance, Stack test reviews and Emissions Events. She has also mentored new investigators in the Regional Office and participates in the new-hire training process. She has been a part of various committees in the TCEQ and is currently a part of the EEE Ad Hoc Committee, regarding Excessive Emissions Events.
