EDITOR'S NOTE: All official court forms are reproduced by permission of the North Carolina Administrative Office of the Courts. Each form was current as of the date appearing in the lower left corner of Side One of Page One of the form, but is subject to ongoing revision and may not still be current at the time you use this publication. Visit www.nccourts.org/Forms/FormSearch.asp to ensure that you are using the most up-to-date forms.

All other forms contained in this deskbook are samples and should be used at the discretion of each individual attorney. Because each family law claim is factually intensive and specific, the forms for complaints and orders set out a framework. Discovery documents must necessarily be tailored to each case.
