**YOUR SECRET WEAPON  
IN ESTIMATE REVIEW!**

[www.AskAiME.com](http://www.AskAiME.com)

# AiME

**Receive AiME's Response and Consider Changes for Compliance and accuracy.**

AiME instantly interprets PDF estimates with the purpose of providing consistent, fair, and intelligent responses to augment your ability to write and review insurance estimates for homes and businesses, thus increasing accuracy and improving estimate review times.

**Improved Cycle Times**

**Training and Education**

**Fast Turnaround Times**

To create, review, and adjust insurance restoration estimates, you must:

1. Possess expert knowledge of the tasks and processes of dozens of trades and specializations.
2. Have a thorough and complete knowledge of pricing and scoping databases.
3. Be aware of the custom requirements of Carriers, and keep on top of any changes.

AiME provides targeted training for all of these.

Learn and be reminded of best practices from continually expanding collaborative library of ideas

**Collaborative Teams**

**Improved Compliance and Accuracy**

**Client Satisfaction**
