

Mei Beth Shepherd
Shepherd Technical Services, LLC

Current Position

Co-Owner/Technical Lead, Shepherd Technical Services, LLC

Prior Experience and Education

Mei Beth Shepherd is a principal of Shepherd Technical Services, LLC. She received her Bachelor of Arts in Biology from Baylor University in 1986.

With STS, she provides technical consulting services focusing on laboratory quality assurance, laboratory accreditation, operational management, and independent data review and validation. Ms. Shepherd has served as a member of the TNI Information Technology and Policy Committees, and is currently an approved Assessor for NELAP, and Ca ELAP. As part of STS, she performs NELAP assessments for the Texas Commission on Environmental Quality, The Florida Department of Health, Minnesota Department of Health, and Louisiana Department of Quality as a contractor.

While not travelling the laboratory globe, Mei Beth enjoys spending time with her husband and their two miniature dachshunds.
