

## **Biography: Judy Morgan**

### **Pace Analytical Services, LLC**

#### ***Current Position***

VP, Chief Compliance Officer

#### ***Prior Experience and Education***

Judith (Judy) Morgan has over 30 years of experience in analytical testing, quality, safety, and compliance.

Her background includes oversight of compliance, quality assurance, green initiatives, environmental health/safety and sustainability, international standards, waste minimization, ethics and confidentiality. A former organic and inorganic analyst, her experience and dedication to the testing industry has given opportunity to apply knowledge and expertise as a member for multiple National/Federal Committees for several organizations such as TNI, ACIL, SETAC, A2LA, CA ELTAC, ASTM, and EPA, where she has served as chairman, board member, ethics officer, vice president, treasurer, session organizer, and speaker/presenter.

Ms. Morgan has a B.S. Chemistry, M.S. Analytical Chemistry, has completed research at Vanderbilt and has been honored to receive the Preston Millar Award & the Charlie Carter Award.
