

FORUM WORKSHOPS

Forum experiences designed to dig deeper into
all aspects of the entrepreneurial journey

Forum Workshops are the only EO product designed for your intact Forum to experience together.

The Forum Core Content Workshops are geared toward newer Forums to upskill your Forum's tools, practices and mindset for valuable and effective meetings.

Forum Leadership Workshops are for healthy and highly-functioning Forums to grow their leadership skills together and to learn ways to bring the concepts of Forum in their lives outside of the Forum meeting.
