

Biography: Ariel Ramirez

Air Permits Division
Texas Commission on Environmental Quality

Current Position

Ariel is a permit reviewer in the Chemical Section. She is primarily responsible for the review of New Source Review (NSR) air permit applications for new and modified chemical sources.

Prior Experience and Education

Ariel received her Bachelor of Science degree in Environmental Engineering from Texas A&M University-Kingsville in 2014. After graduation, she went on to work in private industry for two years before joining the Texas Commission on Environmental Quality as an Enforcement Coordinator with the Office of Compliance and Enforcement. In 2017, she began her current role in the Air Permits Division.
