

Biography: Javier Anguiano
Field Ops Division
Texas Commission on Environmental Quality

Current Position

Environmental Investigator for the Water Quality Program in the San Antonio Region

Prior Experience and Education

Javier Anguiano received a Bachelor of Science degree in Biology from Texas A&M University-Kingsville in December 2006. Javier joined the TCEQ in June 2007 first working as a natural resource specialist in the Edwards Aquifer Protection Program (EAPP). He then transferred to the Water Quality Program in 2013 where he presently works as an environmental investigator.

During his time in the TCEQ he has served on the EAPP Committee, On-Site Sewage Facility (OSSF) Committee, Concentrated Animal Feeding Operation (CAFO) Committee, and Water Quality Committee. He also served as Chair of the EAPP-Innovative Technology Subcommittee, CAFO Committee, and is currently the Vice-Chair of the Water Quality Committee.
