Referring back to WAC 392-191A and RCW 28A.405, find the following information:

1. What are the minimum procedural standards regarding a comprehensive evaluation for a principal and/or assistant principal?
2. What are the minimum procedural standards regarding a focused evaluation for a principal and/or assistant principal?
3. What is a student growth inquiry and what are the procedural standards?
4. Reflect on how you can create a process that is focused on growing the leaders you supervise. How will you communicate this to those you supervise?
