

Biography: Sally Klein

Monitoring Division
Texas Commission on Environmental Quality

Current Position

Sally is the Team Leader for the Network Implementation Team in the Ambient Monitoring Section of the Office of Compliance and Enforcement.

Prior Experience and Education

Sally received a Bachelor of Science degree in biology in 1987 from Southwestern University in Georgetown, Texas. She joined the Monitoring Operations Division of the Texas Natural Resource Conservation Commission in 1994 as the safety office, later moving the microscopy laboratory, and on to the Mobile Response Team working as a field sampler and quality control officer. Sally is now the team lead for the Network Implementation Team in the Monitoring Division, overseeing implementation of federal and state air monitoring networks.
