

Biography: Ashley Correll

Site Remediation Section

Oil and Gas Division

Railroad Commission of Texas

Current Position

Ashley is the Brownfields Response Program and Voluntary Cleanup Program (VCP) Coordinator for the Site Remediation Section of the Railroad Commission of Texas (RRC).

Prior Experience and Education

Ashley received a Bachelor of Science degree in Geology from the University of Texas at Austin and is a licensed Professional Geoscientist through the State of Texas. Ashley started with the RRC in 2011 and has worked in Environmental Permits, the Underground Injection Control (UIC) section, the Engineering Unit, and the San Antonio District Office. Ashley began her current position with the RRC's Brownfields Response Program and VCP in April 2017.
