

Biography: Tamara Calhoun

Occupational Licensing and Registration Division
Texas Commission on Environmental Quality

Current Position

Tamara Calhoun is currently the Team Leader for the Occupational Licensing Section of the TCEQ.

Prior Experience and Education

Tamara Calhoun has worked in the Occupational Licensing Section of the Occupational Licensing and Registration Division since July 2003. In 2006, Tamara was the lead program staff that assisted in the development and implementation of the electronic reporting system for training providers known as TROLS (Training Roster On-line Submittal), which is now a successful reporting system for our training providers. In March 2016 she was the lead program staff that helped develop and implement the eApplication as well as the pre-approval process. In 2018 she was a key individual in the development and implementation of the Occupational Licensing Electronic Application (OLEA), OL's newest online application. During 2019, she worked with a team to develop and implement the Licensing Exam Registration (LEXR), OL's online exam registration & cancellation system.
