You are now in the education portal! Click on your course to get started.

The screenshot displays a user interface for an education portal. At the top, there are four tabs: 'My Activity', 'Certificates', 'Purchases', and 'My Live Events'. Below these, there are four sub-tabs: 'Purchased Content', 'Courses', 'Events', and 'External activity'. A dropdown menu is set to 'Active'. The main content area shows a single course entry: 'Emergency Neurological Life Support (ENLS)' with a green document icon, '1 Certificate', and a red text indicating it 'expires in 713 day(s)'.

What you need to know about ENLS:

- The ENLS Course is divided into a total of 14 sections, or modules.
- Modules include reference materials, protocols, lecture slides, exams, and other files.
- To complete certification, each exam must be passed with a score of 70% or above.
- Exams may be taken unlimited times, and may also be re-taken after passing.
- The course is self-directed. You may log in/out as many times as necessary.
- You may download and print a Certificate of Completion after completing the course (passing all exams) and providing feedback.
- You may claim up to 15 hours of CME for the ENLS Course, and 8 hours of CME for the ENLS Recertification Course.
- You will have access to the course and materials for the duration of enrollment (two years).
- You will be eligible for recertification at 22 months, or two months before expiration.

**Thank you for your support of the
Neurocritical Care Society,
and for taking the ENLS Course.
Enjoy!**
