## Sustainability is our priority.

The choices we make today have a bearing on the quality of life our children will enjoy in the future. That's why we're committed to helping you increase the long-term value of your project with environmentally sensitive options, sustainable designs and green initiatives.

Hanson is a corporate member of the U.S. Green Building Council and is staffed with certified as LEED® Accredited Professionals, ready to assist you in pursuing LEED® certification.

## We're here for you.

With offices nationwide, we've worked in every U.S. state — some many times over.

And while Hanson maintains offices throughout the U.S., we provide international consulting services too. We've completed projects in more than 50 countries, serving every continent on the planet.

## Hanson – Hands On.™

Hanson is hands on in engineering, planning and allied services.

We roll up our sleeves and do what it takes to help you succeed.

Our in-depth industry experience enables us to realize efficiencies, anticipate needs and overcome challenges. “Hands on” means we’re accessible, invested and part of your team. It’s what you can expect from us — it’s how we work.
