GENERAL INFORMATION

Statement of Need

NJHA's Emerging Leaders Symposium presents a day of networking, education and inspiration for New Jersey's next-gen healthcare leaders. This event, held at the NJHA Conference and Event Center in Princeton, is for aspiring movers and shakers to learn and earn continuing education credits with veteran healthcare leaders. At the program's end, Symposium attendees and panelists are invited to a joint reception with the New Jersey Hospital Association Annual Meeting – an invaluable opportunity to network with hospital and health system CEOs and other top-level executives from the NJHA membership.

Learning Objectives

At the completion of the event, participants will be able to:

- Summarize the transformation stories of executives into practical steps to evolve as a healthcare leader;
- Describe how to harness courage and authenticity with the hard and soft skills necessary to ethically lead and elevate others in your organization;
- Explain the experiences of New Jersey's healthcare leaders to create a plan to help guide your organization through uncertain times while envisioning and preparing for a healthy future.
